The airline has not had a domestic fare increase in the past eight years, and these adjustments have become necessary due to increase operational costs.

The baggage pricing policy for domestic travel remains unchanged.

**International Bag Fee Adjustments**

Bahamasair also wishes to advise the public that commencing 4<sup>th</sup> January 2021, the following baggage fee structure for checked bags on all international flights including flights to and from the US, Cuba, Haiti and Providenciales will take affect:

Bahamasair New Checked Baggage Fees (International)				
1st Bag	2nd Bag	3rd Bag	4th Bag	Oversized Bag
\$25.00	\$45.00	\$75.00	\$125.00	\$125.00

The adjustments to baggage fees allow the airline to better conform with industry standards.

Customers are reminded that tickets can still be used for future travel and change fees will be waived through **31<sup>st</sup> May 2021**. You can visit our website [www.bahamasair.com](http://www.bahamasair.com) and go to the **My Trips** tab to make changes or you can contact our Customer Care Center at 1(800) 222-4262 or 1(242) 702-4140.

Health and Safety are, and always will be, paramount at Bahamasair. We remain committed to adhering to the best local and international aviation and medical standards, and we thank the travelling public for making us the airline of choice as we connect you to the Islands of the Bahamas.
